LETTER OF RECOMMENDATION

It is a pleasure to write a recommendation letter for a professional partner like Kalini OOD.

They have organized our teambuilding activities in the highest professional manner and at the same time managed to capture the spirit and to show a personal attitude and creativity, which is appreciated by all of our colleagues. The teambuilding events organized by Kalini OOD are memorable and contribute for the good mood, team spirit and our Company values. The quality of their services is always excellent and they have looked after all the details leaving for us just to enjoy the event.

I am glad to recommend Kalini OOD, since I am convinced that they will meet your expectations and help you to achieve your Company goals being a professional and reliable partner. We would also seek their cooperation to fulfil our future projects and events.

Your sincerely,
